No matter which material you select – you can rely on **ROXVEY** Poultry conveyor chains!

ROXVEY Poultry conveyor chains – hardened, electro galvanized and sealed

Item no.	Diameter [mm] d	Pitch [mm] t	Inner width b ₁ min. [mm]	Outer width b ₂ max. [mm]	Weight ca. [kg/m]
RVP-825	8	25,4	9,6	26	1,35
RVP-838	8	38	13,5	29,8	1,25
RVP-928	9	28	11,2	31,3	1,60
RVP-1038	10	38	12,5	34	2,00

- Super-calibrated
- With certificate EN 10204-3.1
- Lengths 50m bundles (or connected with connecting links)
- Available in different case hardening depths

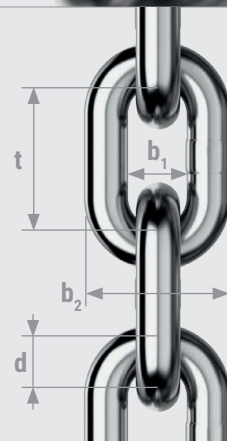

ROXVEY Poultry conveyor chains – stainless steel 1.4404 (AISI 316L)

Item no.	Diameter [mm] d	Pitch [mm] t	Inner width b ₁ min. [mm]	Outer width b ₂ max. [mm]	Weight ca. [kg/m]
RVPS-825*	8	25,4	9,6	26	1,35
RVPS-838	8	38	13,5	29,8	1,25
RVPS-928	9	28	11,2	31,3	1,60
RVPS-1038	10	38	12,5	34	2,00

- Super-calibrated
- With certificate EN 10204-3.1
- Lengths 50m bundles (or connected with connecting links)
- Bright polished

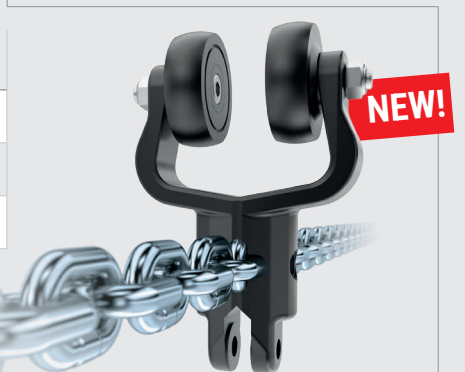

*Alternatively also in material 1.4301 (AISI 304)

ROXVEY Poultry conveyor chains – assembled version

Item no.	Chain	Wheel	Bracket	Inch-distance	Weight[kg/m]
RVP-825-50-M-6	RVP-825	RVP-R-49-S	RVP-B-S-S	6"	3,20
RVP-825-50-M-8	RVP-825	RVP-R-49-S	RVP-B-S-S	8"	2,75
RVP-825-50-M-10	RVP-825	RVP-R-49-S	RVP-B-S-S	10"	2,45

- Chain assembled with Trolleys
- With certificate EN 10204-3.1
- Lengths 50m (connected with connecting links)
- Available with different chain versions

Quality and precision for the poultry industry

Experience maximum reliability with ROXVEY Poultry conveyor chains. Our conveyor chains are the result of permanent production monitoring and super fine-tolerance calibration to meet all the requirements of your system.

Thanks to our state-of-the-art multi-purpose chamber furnace system, we ensure homogeneous hardening process that always delivers consistent quality. Our specially developed galvanizing process, which is optimized by passivation and sealing, ensures extremely good corrosion resistance.

Choose ROXVEY and rely on quality and longevity in your poultry production.

ROXVEY connecting links - hardened, electro galvanized and sealed

Item no.	Suitable for chain	Diameter [mm] d	Pitch [mm] t	Weight ca. [kg/pc]
RVP-825-VG	RVP-825	8	25,4	0,033
RVP-838-VG	RVP-838	8	38	0,03
RVP-928-VG	RVP-928	9	28	0,05
RVP-1038-VG	RVP-1038	10	38	0,06

NEW! Now also available in stainless steel 1.4404 (AISI 316L)

RVPS-825-VG	RVPS-825	8	25,4	0,033
-------------	----------	---	------	-------

ROXVEY Poultry intermediate chain – stainless steel 1.4401 (AISI 316)

Item no.	Diameter [mm] d	Pitch [mm] t	Weight ca. [kg/m]
RVPS-326-100	3	26	0,15
RVPS-432-100	4	32	0,24

NEW!

- 100m length on reel
- bright polished

ROXVEY Bracket half

Item no.	RVP-BR-S49-S
Type	screw version
Colour	black
Weight ca. [kg/pc]	0,13

NEW!

ROXVEY Brackets

Item no.	RVP-B-S-S
Type	screw version
Colour	black
Gewicht ca. [kg/pc]	0,06

ROXVEY Wheel

Item no.	RVP-R-49-S
Diameter [mm] d	Ø49
Colour	black
Gewicht ca. [kg/pc]	0,5

Das Zertifikat bestätigt die Konformität unserer internen Unternehmensabläufe mit dem internationalen Standard für Qualitätsmanagement

Wir sind Hersteller von
Edelstahlketten/NIRO-Ketten

Der H-Stempel ist ein Nachweis für
die besondere Kettenqualität
